

New MetroConex™ makes business simpler

How MetroConex™ works for you

- Manage your concrete – from loading to onsite delivery
- Sign on the screen (just like a courier service)
- Your docket is emailed to you and stored in the cloud
- Access your dockets and receipts anytime on your mobile device
- It is paperless – a win for the environment and your hip pocket

MetroConex™ is available from Metromix and Able Concrete. To find out more and get started, register online today, or speak to your local representative:

Metromix Head Office: (02) 9849 7400

Customer Service: (02) 9849 7450

Able Alexandria: (02) 9318 1722

The bells and whistles

- Receive SMS notifications for 'concrete departing the plant'
- Completed delivery invoices emailed to you
- Be informed in real time of any additional surcharges
- A Pre-Start Vehicle safety checklist ensures trucks are ready to perform
- Site Safety checklist integrated into each electronic docket

The key benefits to you

- MetroConex™ enables you to view and access real time delivery information, dockets, and invoices
- Puts you in greater control of your transactions with Metromix and Able
- Works on any device – PC, tablet, or mobile phone
- Access anytime to your dockets and receipts – 24/7, 365 days
