Mr. R. L. Smith,  
Director,  
Premier Metal & Gravel Pty. Ltd.,  
Gow Street,  
ADAMSTOWN. N.S.W.

Dear Sir,

Referring to your communication of the 9th ultimo, in which you have made an application to Council for permission to establish a gravel quarry or an extractive industry on land owned by the Estate of Black & McKinley, Parish of Teralba, I have to advise that the Council has resolved to approve of your application and to permit the establishment of the gravel quarry or extractive industry on this land, subject to your compliance with the following conditions:

1. No quarrying operations to be carried out nearer than 50' to any public road boundary.
2. No blasting operations to be carried out within 50 yards of any public road.
3. The quarry floor to be at all times drained so as to prevent the stagnation of water.
4. Water used for the washing of the gravel to be disposed of in such a manner as not to cause a nuisance.
5. Approval to be obtained from other interested Authorities.

Council's permit authorising you to proceed with the erection of the buildings to be used in conjunction with the gravel quarry or extractive industry will be forwarded to you in due course.

Yours faithfully,

SHIRE CLERK
