

2024 Non Compliances and Departures From Environment Plans, Procedures and Codes of Conduct.

Date	Non Compliance	Reason
January	Nil	Nil
February	Water sample at EPL No. 4 (Adit Dam) was not taken. The EPA and Department of Planning, Housing and Infrastructure (DPHI) were notified in writing on 12 March.	This was due to the dam not discharging any water during quarrying operations for the month. The relevant quarry team have been advised and re-trained to ensure a sample is taken once a month regardless if discharge occurs or not.
